## **2022 PRIMARY BALLOT CANVASS PROCEDURES**

For the May 17, 2022 Primary Election, the Board anticipates receiving a large number of absentee and mail-in ballots. In order to efficiently process these ballots, the Board deputizes and authorizes its staff to comply with the following procedures and to complete the absentee and mail-in ballot pre-canvass and canvass and voting machine ballot pre-canvass in accordance with the Election Code.

### **Absentee and Mail-in Ballot Receipt and Sorting**

Upon receipt by the Board, envelopes containing absentee and mail-in ballots will be time stamped with the date the Board received them, screened for compliance with the Election Code and scanned into the SURE system. Envelopes containing absentee and mail-in ballots will be organized and sorted by Ward and Division to prepare for the Pre-Canvass and Canvass, and shall be securely maintained until that time. That process shall include:

- The envelope of any elector for whom the Board has received due proof of death prior to 7 a.m. on Election Day shall be set aside.
- The envelope of any elector whose proof of identification has not been verified by the Board shall be set aside until proof of identification is received and verified.
- The envelope of any elector whose ballot or application has been timely and properly challenged will be set aside until such challenge is finally determined.

### **Absentee and Mail-in Ballot Pre-Canvass and Canvass Procedures**

1. Beginning on or after 7 a.m. on Election Day at the Board of Elections ballot processing facility, 11311 Roosevelt Blvd., staff will begin the Pre-canvass of the absentee and mail-in ballots received by the Board prior to the finalization of poll books.
2. A list of all envelopes that are to be examined during the Pre-Canvass and Canvass shall be posted publicly and/or provided to observers present.
3. Staff shall examine each envelope and perform the following steps:
  - a. Staff shall verify that that the elector is entitled to vote by comparing the written information on the declaration envelope with the pre-printed name on the declaration envelope from the list of absentee and mail-in voters.
  - b. Staff shall determine if they are satisfied that the declaration is sufficient.
    - i. If the examiner is unsure whether the declaration is sufficient for any reason, including because the envelope lacks a signature or date, the envelope shall be set aside for review by the secondary examination staff and/or the Board and the envelope shall not be opened prior to noon on the day following Election Day.
4. Any envelope whose declaration is not determined to be sufficient upon initial examination or which was submitted by an elector who was not entitled to vote shall be

set aside for review by the secondary examination staff and/or the Board and the envelope shall not be opened prior to noon on the day following Election Day.

5. Envelopes not set aside shall then be brought to the extraction area and opened. If the secrecy envelope within the declaration envelope contains any text, mark or symbol which reveals the identity of the voter, the voter's political affiliation or the voter's candidate preference, or if the ballot is not contained within a secrecy envelope, the secrecy envelope and ballot shall be set aside.
6. Board staff shall then open any secrecy envelopes not set aside and scan all ballots contained therein.

Observer certificates for the Canvass will be issued as follows:

- Those entitled to appoint Observers must email [vote@phila.gov](mailto:vote@phila.gov) with the name of each appointed Observer, the Observer’s address, and—if the Observer is their attorney—their PA Bar number.
