****Special Elections**** - In the event of any special election, candidates and committees should contact our bureau regarding reporting requirements and filing deadlines. A separate report will need to be filed for each Special Election Cycle. Special Elections do not follow the reporting dates for Cycles 1-7. Information regarding Special Election reporting dates can be found on our [website](#).

Penalties - In accordance with the Campaign Finance Reporting Law, those who file required reports after the filing deadline are assessed a late filing fee of \$20 per day for the first six days that a report is late, and \$10 per day thereafter, up to a maximum penalty of \$250.

Unsworn Declarations – Act 2020-15, allows for unsworn declarations for campaign finance reports and campaign finance statements filed by political committees, candidates for public office, and contributing lobbyists. Independent expenditure and non-bid contact reports are also covered under the new law. Filers must physically sign and date their report or statement cover sheet. Their signature acknowledges, under penalty of perjury, that the statements contained in the filed report or statement are true and correct. These updated forms may be scanned and emailed to ra-stcampaignfinance@pa.gov. Complete the corresponding version of the form signed by the required individual(s).

Political Committee Treasurers - It is the treasurer's responsibility to file required committee reports. Keep this schedule available for reference prior to each reporting deadline. If you need a reporting form, you may print one from the Department's [website](#) or request one from the bureau. You may also file your report online. From the website, select the link to Campaign Finance and then to Online Filing for more information. Please remember that all **reports must include your filer identification number** on the cover page.

24-Hour Reporting - Section 1628 of the Campaign Expense Reporting Law, 25 P.S. § 3248, requires any candidate or political committee, authorized by a candidate and created solely for the purpose of influencing an election on behalf of that candidate, which receives any contribution or pledge of five hundred dollars (\$500) or more, **or** any person making an independent expenditure of five hundred dollars (\$500) or more after the final pre-election/pre-primary report has been deemed completed shall report such contribution or expenditure to the appropriate supervisor. The candidate, chairperson or treasurer of the political committee shall send the report of late contributions within twenty-four (24) hours of receipt of the contribution. The same shall apply to persons making independent expenditures. The bureau will accept the filing of *24 Hour Reports* by facsimile at 717-213-8083, via e-mail at: ra-stcampaignfinance@pa.gov or [online](#). The filing of late contribution reports does not remove the obligation to also report those contributions on the appropriate post-election/post-primary expense report filing. Please contact our office for specific reporting dates for late contribution reports.
